

Spring 2020 COVID-19 Cancellation and Credit

Due to the COVID-19 pandemic, we cancelled many of our spring programs in 2020. If your child was a participant in any of these programs, you can find options for how you would like New Life Camp to process your credit for the program. We will work through your requests as quickly as possible and appreciate your patience and understanding.

Next Level Basketball

Please return all uniforms/t-shirts to the bins outside the main office. You will not need to touch anything. Just drop them in. Bring uniform(s) and/or t-shirt(s) in a bag labelled with your player's name(s). We will process the uniforms 5 days after they have been received.

If you do not feel comfortable at this time returning the uniform/t-shirt to camp, we will process your refund request less a \$40 uniform fee (13U-18U) or \$20 t-shirt fee (8U-10U). Once the uniform/t-shirt is received, we will process any outstanding fee credits as you direct below.

- **Option 1:** Donate all or a portion of the registration fees to NLC's Campership program. This will help sustain our mission to love, accept, and introduce children and their families to Jesus Christ and equip them to live lives that glorify God. Your donation will be 100% tax deductible. If this will be your first donation or you have not donated since December 31, 2017, then your gift will be doubled with our Matching Grant opportunity ending April 30, 2020! <https://www.newlifecamp.com/matching-grant/> Please know how grateful we are for your partnership with us.
- **Option 2:** Maintain a credit on your account. This option allows families to have funds available for future program registrations. Please note, you will need to pay the registration fee for your program to secure a spot, then the available credit will be transferred to cover the remaining balance(s). Again, we are thankful for your willingness to consider the credit option.
- **Option 3:** Refund. If you have a zero-balance with us, it will be issued directly to the card on file or by manual check. If you have an outstanding balance for other NLC programs, your refund will be applied to your balance.
