Activity Descriptions and Instructor Contacts: Fall 2021

Fun Club – Christmas (Ages 6-10)

Contact Lead Instructor: [Amy Martin](#)

Fun Club provides opportunities to enhance physical development of throwing, catching, striking, eye-hand coordination, fine motor skills, body balance and strengthening combined with instructional opportunities which teach and reinforce social skills necessary for positive team involvement based on scriptural principles of honesty, grace and forgiveness. The Spirit of Christmas will be integrated through games, crafts, and the devotions.

Let's Draw (Ages 9-13)

Contact Lead Instructor: [Alix Douglas](#)

Join us as we explore the world of drawing medium. We will learn several basic drawing techniques from sketching simple shapes to showing detail through shading. Students will use the drawing skills they develop to create their very own masterpieces.

Morning Club (Tuesdays: Age 6)

Contact Lead Instructor: [Alix Douglas](#)

Morning Club for Age 6 will feature a unique schedule of 4 different activities led by both their own instructors and other staff at camp. These activities will provide a lot of hands-on learning. The following are also included in the schedule: snack, lunch, recess, and Bible devotion. The subject description and instructor's name for each activity are as follows:

Backyard Science (Instructor: Cindy Nichols)

- Lace up your walking shoes for our study of local members of the animal kingdom. Camp trails and the lake offer fascinating opportunities to study animals that scamper, slither, soar, and swim. We will experience God's amazing creation at New Life Camp!

Fall Art (Instructor: Haley Harris and Alix Douglas)

- Pumpkins, leaves, and turkeys, oh my! In this club, students will be creative through a variety of autumn-themed arts and crafts projects.

Let's Move (Instructors: Haley Harris and Alix Douglas)

- Let's play games that implement locomotor skills, rhythms and simple dance. Practicing fine motor skills, coordination and balance will be included in fun station activities to help students become confident movers.

Young Builders (Instructor: Haley Harris and Alix Douglas)

- Calling all inventors! In this class we will use our creativity to design and build using all different kinds of materials - magnets, Legos, building blocks and so much more!
