Welcome to Summer Camp!

Dear Parents,

We are so honored that you have chosen to send your child to New Life Camp this week. We are going to take great care of your child physically, emotionally, and spiritually. We hope that your child has the time of their life and makes memories that they will never forget. More importantly, we pray that your child will experience the love of God through our fine staff.

If there has ever been a year when families need New Life Camp, this is it. New Life Camp has enjoyed being a place where kids can unplug and get away from the noise. That's just what we want to do this year.

This handbook will inform you of everything you need to know for this week. We hope that you will turn to it daily to:

- See what your child is doing at any given time.
- See what your child is learning.
- Learn what they are learning.
- Receive reassurance that your child is in good hands.

We hope that this handbook is helpful to you and that you have a wonderful week, too.

Again, thank you for choosing New Life Camp.

Director of Programs

New Life Camp Accreditation, Certification, and Achievement

We are accredited by the American Camping Association (ACA). ACA Accreditation means that we care enough to undergo a thorough peer review of our operation — from staff qualifications and training to emergency management. ACA collaborates with experts from the American Academy of Pediatrics, the American Red Cross, and other youth-serving agencies to assure that our current practices reflect the most up-to-date, research-based standards in camp operation. We comply with 300 health, safety, and program quality standards.

[Click here for more details on ACA accreditation.](#)

Our staff are trained and certified by the American Red Cross in CPR, First Aid, and AED operation. The American Red Cross First Aid/CPR/AED course incorporates the latest science and teaches students to recognize and care for a variety of first aid emergencies such as burns, cuts, scrapes, sudden illnesses, head, neck, back injuries, heat and cold emergencies and how to respond to breathing and cardiac emergencies for victims.

New Life Camp has been awarded Best Camp by voters participating in the WRAL.com Voter's Choices Awards three years in a row (2018-2020).

5 Frequently Asked Questions about New Life Camp

Your children are among the most valuable gifts that God has given you. While your child's well-being is of utmost importance to you, you also want your child to experience the adventure, belonging, and growth, that summer camp brings. You can have both. Here are 5 questions that you should ask of those you entrust with your child.

1. *How do you choose your staff?*

We feel that that the staff we choose are more important than our facilities or program. We take this responsibility very seriously. Every staff member goes through an extensive application process of:

- Application
- Interview with two full-time staff members
- Reference Check
- Background Checks (from both criminal and national sex offender websites)

After this process, we choose whom we believe to be the very best candidates in our pool of applicants.

2. *How do you train your staff?*

Each counselor has gone through training. Some of the areas covered in this training include:

- Cabin Management
- Camp Rules & Staff Policies
- Camper Discipline & Behavior
- Camper Hygiene and Illness Prevention
- Child Protection
- Communicable Disease Mitigation
- CPR/AED/First Aid Training
- Emergency Procedures
- Health & Safety
- Personal Counseling
- Privacy
- Risk Management
- Special Needs Inclusion
- Supervision
- Weather-Related Procedures

3. *How will my child be supervised?*

Every 18 campers have at least 2 counselors assigned to them who do everything with their cabin. On top of the training the staff receives in keeping all campers in vision and acting when necessary, the campers also receive this instruction: "You should never be where a counselor is not." Every event starts with a head count. We also have a missing camper procedure in place, if it is ever needed.

4. *How can my child report in an event that someone is hurting him/her?*

On Sunday evening, we instruct all the campers that it is not only appropriate but also necessary to report any incident of anyone either hurting them or making them feel uncomfortable. Reports should go to their counselor or any other staff member. All accusations will be taken seriously. All incidents are documented with the report and actions taken.

5. *What is your policy about staff/camper contact after camp?*

There is sometimes great opportunity to mentor campers beyond the summer. Many parents develop a love for their child's counselor and the effects their relationship has caused. However, we think it would be a mistake to give unsupervised access to your child to any adult outside of

your family. That being the case and while having full confidence in our staff within our program, we do not recommend them as babysitters or any other situations that would involve them being alone with a child. This includes private conversations by phone, text, social media, etc. For further information on our policies, please make a request at www.newlifecamp.com.

Important COVID-19 Details

(updated: 5/2/2021)

Summer camp will look different this year due to precautions surrounding COVID-19 as we are guided by the Center for Disease Control, the American Camping Association, and the North Carolina Department of Health and Human Services. We have included these differences in this section as well as where applicable throughout the handbook.

Considerations for those with High Risk

Though we believe that we can run camp safely for the general public, we recognize that camp may not be a wise choice for campers with high risks, nor campers that have family members with high risks.

Conditions that qualify as higher risk concerning COVID-19 are:

- Asthma
- Cancer
- Chronic kidney disease being treated by dialysis
- Chronic lung disease
- Chronic obstructive pulmonary disease
- Diabetes
- Down syndrome
- Heart conditions
- Hemoglobin disorders
- Immunocompromised
- Liver Disease
- People aged 65 or older
- Pregnancy
- Serious heart conditions
- Severe obesity
- Sickle cell disease
- Smoking
- Type 2 diabetes

Screening of Campers

Every camper will be screened at check-in. You can prepare for that screening by being mindful of your child's general health starting at 10 days before your child's first day of camp.

Your child will not be able to participate if any of the following are true in the 10 days before camp.

- Have had a fever of 100.4° F. or greater.

- Have had a persistent cough, shortness of breath, congestion, diarrhea, fatigue, headache, runny nose, muscle aches, nausea, loss of taste or smell, sore throat, or vomiting.
- The individual has been in close contact with a person who has tested positive for COVID-19. Close contact is defined by the CDC within 6 feet of the infected person for at least 15 minutes. New Life Camp also considers sleeping in the same room as an infected person as close contact.

Our Health Precautions

Some of the general things New Life Camp will be doing to keep campers and staff safe and health are:

- Promoting healthy hygiene practices
- Ensuring physical distancing of cabins and huddles from one another
- Face masks for staff and volunteers are:
 - Required indoors.
 - Recommended outdoors for staff and volunteers who have not been vaccinated.
- Face masks for campers are:
 - Required indoors for all campers ages 5 and older unless they have a medical exemption. Those with medical exemptions will be required to wear a bracelet which signifies to our staff that they are exempt. We highly recommend you pack at least 6-12 face masks.
 - Recommended outdoors for campers who have not been vaccinated.
 - Not required while:
 - Eating or drinking
 - Sleeping
 - In Water
- Limiting sharing
- Training all staff
- Health monitoring and pre-camp screening
- Daily checking for signs and symptoms

Camp Check-In

We will be administering a drive through check in process:

- You will be emailed the week before camp with your cabin assignment and check in time frame.
- Siblings will be allowed to be checked in at the same time.
- You will be getting out of your car only to unload luggage, meet one of the counselors, and give your camper a hug goodbye.

Cabin Grouping and Social Distancing

During the week, campers will only be allowed to participate in activities with campers in their cabins. Social distancing within the cabin group itself will be impractical. Cabin groups will be socially distanced from other cabin groups.

- Occasionally, one cabin will be paired with another cabin for an activity but will maintain social distancing.
- Pairs of cabins will always be paired with the same partner cabin.

Meals

- Meals will be eaten at the campers' cabin spots.

Visitors

- Visitors will not be allowed while camp is in session.

Packages

- We will not be receiving hand-delivered packages for campers, LIT's, or staff. We will deliver packages that are ordered from our online store.
- Visit our online store: <https://new-life-camp.square.site>

Family Night

- There will be no family night on Friday this year.

Check-Out

- Just like check in, you will receive a time for pick up and siblings can be picked up at the same time.

Policies to Keep Your Children Safe

Supervision

Counselors will be given a clipboard with their campers' information on it that will be in the possession of a counselor at all times. Counselors will use their clipboards to track where their campers are at all times. If a camper is not with their counselor, they must be with another staff member. Counselors have almost no other job except to keep track of their campers.

Emergency Procedures

The staff have been trained in the following procedures that have been constructed specifically for New Life Camp:

- Fire and Evacuation
- Medical Emergency
- Missing Camper
- Visitor of Questionable Intent

Weather Policies

A full-time staff member on duty will periodically monitor weather conditions and forecasts. We also receive weather alerts for any watches or warnings.

In the case of excessive heat or poor air quality, the full-time staff will notify the summer staff via walkies or announcement of the current conditions. The staff are then trained to watch for heat exhaustion and make sure that the campers are drinking plenty of water and staying out of direct sunlight (except for in the water).

In the case of thunderstorms, the full-time staff will notify the staff and campers to take shelter in a specific location if time allows or to seek the closest shelter available. Staff will do head counts to account for every camper. Every camper will remain under shelter until the threat has abated. All water events will be canceled or postponed for 30 minutes after the last distinct clap of thunder.

In the case of a hurricane or tornado, the full-time staff will notify the staff and campers to take shelter in Johnson Gymnasium. Staff will do head counts to account for every camper.

First Aid Policies

1. If your camper is going to need medications: All medicines must be in the *original* containers and turned in during Check-In. You will register the medications during Check-In. The Infirmary staff will keep medications locked and create a schedule so that campers receive their medications on time or as needed. Many of the medications are given at mealtimes. The evening medications are given before bed. Any other times will be arranged for them by our Infirmary staff.
2. If you want our first aid staff to be able to give your camper Tylenol, Ibuprofen, Benadryl, Tums, or Pepto-Bismol without us having to call you first for a minor complaint, you can indicate your authorization on their online medical form.
3. If your camper has a communicable disease, do not send your child to camp, but please contact the main office to let us know. New Life Camp reserves the right not to admit people who pose a communicable disease risk to others.
4. Our privacy policy is that we share information with only those deemed necessary for comprehensive care.
5. There is a first-aid-certified adult on call 24 hours a day. A registered nurse will visit for a few hours each day for an Infirmary records review and any campers in need of a second opinion.
6. If your camper gets very sick or seriously injured, you will be notified and if necessary, take the camper home for recovery. You may also be asked to take your child to the doctor if it is needed. In case of an emergency, 911 will be called first.

Further Health Details

The Infirmary at New Life Camp is for continuing medication and doctor's orders of day-campers and overnight campers during their stay at camp within the limits of the staff training. It is a place for first aid and continued secondary aid as a health problem resolves. We follow the physician-reviewed procedures that include the examination of symptoms, distribution of medication, and standard first aid. There are limits. If a camper or staff member requires continued care and cannot participate in camp with their cabin or is deemed to have a potential infectious disease or needs to visit a doctor, the parent will be responsible for transport to a doctor or bringing the camper home. The camper can return to camp with a doctor's note or 24 hours with no fever.

New Life Camp recognizes that the parent is a great resource. The Infirmary staff may call with questions or advice on treating your child, such as "What do you usually do when your child gets a migraine" or "What

do you usually do when your camper has leg cramps?” We notify parents if the child has any visible facial injury, tooth injury, black eye, splinted finger, etc.

Sending a camper home: a camper must be sent home to recover if there is a true fever of 100.4° F or above, if there are symptoms of a communicable disease, or if there is a need of constant medical attention to assist recovery.

If the child has been playing outside, the temperature might not be a fever if it is just heat. We will allow the camper to rest in the Infirmary and provide water to drink. We will retake their temperature after 30 minutes from the water intake for a true reading. Prolonged or intense discomfort and inability to participate in camp is a signal that a home recovery is a good idea. The First-Aid-Provider’s supervisor will be contacted with questions.

If there is an injury requiring a doctor’s visit, the parent will be advised of our opinion. If we are unsure if it requires a doctor visit but think there might be a need, we can call and let the parent decide if a doctor’s visit is necessary. It is the camp policy that a parent, guardian, or emergency contact person be responsible to transport the camper to the doctor when it is not a true “911” emergency. If we struggle in locating the parent, we will notify the First-Aid-Provider’s supervisor. The First-Aid-Provider is not permitted to leave camp to transport the injured camper. Campers are to be picked up at the main office in the Activities Center, where the parent must sign them out. Please bring a doctor’s note if the doctor thinks the camper may return as well as any new instructions for physical limitations or any new medications.

Homesickness

1. From time to time, a parent will receive a letter from their child concerning being homesick. It's also possible you left a child who was feeling homesick. Rest assured: we take home sickness very seriously. We will not let it get out of hand.
 - a. If necessary, we will call you so that together, we can plan a resolution.
 - b. In the meantime, if you haven't received a call, then your child is surviving just fine.
 - c. On rare occasions in which we do feel the need to call the parent, most all parents have solved the issue by making this statement to the camper: "We love you, but we're not going to come get you because we want you to finish your week."
 - d. Once the camper realizes that they're going to finish the week, they almost always make the most of it. We've even seen these same children cry on Friday when they leave the friends with whom they made so many memories.
2. We do not allow phone calls home, but anytime there is a serious concern about your child, a staff member will contact you.

Keeping You Posted

Here are some of the reasons New Life Camp will call you:

1. If your camper is unusually homesick.
2. If your camper is seriously hurt (any cut requiring stitches, broken bones, torn ligaments, or concussions).
3. If your camper is sick (fever of 100.4° or more, vomiting, diarrhea, or dizziness).
4. If your camper is missing something they need.

Lost and Found

4. After 5 days, the lost and found will be donated.

- If your child gets home with anything that does not belong to them, please bring it back ASAP.

Visitor Policy

- Visitors will not be allowed while camp is in session.

Picking Your Child Up

- We will not allow anyone who is not on your pick-up authorization form to leave with your child.

- Please note that this includes parents. If you want to update your authorization, please go to your [online dashboard](#) and update it under Forms section.
- We request, if possible, that you do not pick up your child temporarily or early.

Experiencing the Week as a Parent

You love your child. You're excited for them to get away from all the distractions of this world. You're excited about how they're going to learn and grow. They're going to have a great time! BUT YOU MISS THEM LIKE CRAZY! Some parents can even start to obsess. Asking questions like, "Will my child resent me for leaving them for a week of their summer? Does his counselor remember everything I told him? What if he wants to come home?"

First, missing your child is completely normal. We would be concerned if you didn't miss your camper while they are away. However, a study in *USA Today* found that there are more "child sick" parents than there are home sick children. Children need parents. There's no doubt about that. But could it be that some parents need the children more than the children need the parents?

It feels good to be needed, doesn't it? We all want to feel like we're irreplaceable. Whatever fears and thoughts go through your "child sick" mind, one thing you can count on is your child needs you, and that's not going to change. However, this is an opportunity for them to show you how much you've taught them and grow more in those areas of maturity: communicating for themselves, social skills, independence, trying new things, trust, responsibility, making good choices, and seeking out for themselves what they believe about God and spiritual matters.

Trust your job in parenting enough to give them a chance to use what you've taught them and mature it. Trust the decision you made to send them to a camp that has a great record and cares about your child and your family deeply. Finally, trust the God who gave you your child in the first place. Though you can't hover over camp like a helicopter this week, God is with you and with your child each moment of each day this week. This is going to be a great week for your child. It's ok to miss them, but just look forward to seeing them when they tell you all about the great adventure you allowed them to take.

Learn What Your Child Is Learning

(Credit is due to JD Greear and Andy Stanley whose teachings greatly impacted our theme this summer)

Our theme for summer camp this year is **Full Effect**. Throughout the week and each activity, we will look at God’s word with your child to show deciding to follow Jesus isn’t just a one-time decision. He desires us to grow in that relationship, to love him and become more like him, to love others as he loves others. Jesus wants us to experience the Full Effect of his life, death, and resurrection in our lives.

But what would happen if you as parents were learning what your children are learning? What if you were open to what God’s word says at the same time as it is presented to them? We have included a daily

devotional below for you as parents written by our Executive Director Jeff Beckett. We pray that children, parents, and families will experience Jesus to Full Effect.

Theme Verses

These are the verses your children will memorize throughout the week:

“... train yourself for godliness; for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come.” – 1 Timothy 4:7b-8 (ESV)

Monday: Full Effect - Getting the Most out of a Life of Faith!

What does the Word say?

“...train yourself for godliness; for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come.” - 1 Timothy 4:7b-8 (ESV)

In Paul’s letter to Timothy, Paul is encouraging Timothy regarding the key disciplines of the faith. He will need to enable him to lead and guard his flock during the increasingly turbulent times that were taking place in and around Ephesus in the mid 1st Century. The context of 1 Timothy is ominous. Dangers and conflict are on the horizon, and Timothy must be prepared! Timothy was a pastor in the Ephesus area. We believe he was still a relatively young man because of many of the adjectives used about him. Ephesus was a dying city. Once an important metro port and eclectic city, the harbor was filling up with sludge from agricultural mismanagement. The primary industry left in Ephesus during Timothy’s day was no longer shipping or trade. Instead, it was the making and marketing of small statues of the Greek goddess Diana (Artemis).

You can imagine how these new believers in Timothy's church and adherents to the one true God were viewed by the citizens of Ephesus when they spoke against false gods like Diana. Timothy found himself in the middle of a storm of hatred and violence toward the faith.

What does this Word tell us about God?

God is aware of the dangers and fears we face in our context in life. He knows what it will take for us to live life to the fullest, wherever we are living. He had His eye on Timothy and His flock and on Ephesus, and 1 Timothy is the Holy Spirit using Paul to impart some precious truth to Timothy. Jesus said it this way, "The thief comes only to steal and kill and destroy, but I have come that they may have life, and have it to the full!" (John 10:10 NIV)

What does this Word tell us about us?

We could easily waste our life. In fact, for most people, it happens naturally. We chase after things that do not really matter, not eternally. We spend a lot of time training for things that don't matter much, and we spend a lot of time in hobbies and pursuits that are not really making us strong or giving us a fulfilled life. If we hope to live life to the fullest, it will require a few simple steps:

1. A devoted, life-altering relationship with Jesus, who is the only one that can transform our frail mortal flesh and temporary priorities into something amazing and eternal!
2. That transforming relationship has to be intentional... like a person going into training with a plan. In this case, our plan is not to train to lose 10 pounds, learn how to play golf, or achieve a college degree. Our plan is to go into training to become more like Jesus.

What should I do about what this Word is saying to me?

1. I should ask myself the hard question: Am I truly living for the full effect for which God created me, or am I simply crossing off the days in pursuit of meaningless things?
2. Am I trying to "train or effort" my way into something that is primarily a gift of God? A transformed life is the gift of God in Christ Jesus; it is not the result of your hard work toward self-righteousness (Ephesians 2:8-9). But once the relationship with Christ is established in faith, then spiritual disciplines make all the difference between mediocrity or life to the fullest in Christ!.
3. There is a fantastic "life to come" for the believer in Jesus, but the life he has for you here and now is also important. Use it wisely.

Prayer

Dear God, I acknowledge that since you made me, you know me best. Help me to live my life to the fullest by living in relationship with and in pursuit of Jesus!

Tuesday: A Relationship with my Creator!

What does the Word say?

Then God said, "Let us make man in our image, after our likeness. And let them have dominion over the fish of the sea and over the birds of the heavens and over the livestock and over all the earth and over every creeping thing that creeps on the earth." So God created man in his own image, in the image of God he created him; male and female he created them. - Genesis 1:26-27 (ESV)

He came to his own, and his own people did not receive him. But to all who did receive him, who believed in his name, he gave the right to become children of God, who were born, not of blood nor of the will of

the flesh nor of the will of man, but of God. And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth - John 1:11-14 (ESV)

For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life. For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him - John 3:16-17 (ESV)

What does this Word tell us about God?

Most of this week at camp, your children will be learning about crucial disciplines of a "full effect" faith. A "discipline," simply put, is a finely honed practice of a disciple. A disciple is more than a learner or a student; a disciple has decided to take up a devoted simulation of the life of their master (Lord). But is anything drearier than carrying out "disciplines" without purpose or reason? The disciplines of the faith (reading the Bible, prayer, meditation, worship, ministry, suffering together in unity, and more) are not "ends" unto themselves. They bring little joy or profit apart from Christ. These disciplines are a God-designed means to re-shape our fallen nature and character into something more resembling His son! God had an incredible plan for creation: to plant a being created in His image in the center of His creation. That is YOU! You are the only thing made in his image in all of creation, you are the exclamation point of His creation, and you are the apple of His eye. Being made in God's image changes everything about the value and nature of your person and purpose! God is wise, and He does all things with purpose, especially you. This is true of Him in creation in Genesis and true of Him in re-creation (redemption) in passages like John 1 and John 3!

What does this Word tell us about us?

Amazing! God made you for a purpose: to bring Him glory, to know you, and to love you forever! God literally made you for a relationship. Since God is three distinct persons, yet one in indivisible nature, He actually does all things in relationship. He made you and shaped you for a relationship. But not just any relationship: a relationship with God Himself! The pathway to that relationship is not power, wealth, culture, religion, genetics, or race. It is ONLY in Christ.

People long for purpose. "Why am I on the planet?" We are told it was just a one-in-a-100-trillion accident that complex proteins somehow materialized in the primordial soup for rudimentary life to form. Most humans seem to sense deep in their being this is not true, that we are much more, but what? In 2002, inspired by Billy Graham, Rick Warren wrote *The Purpose Driven Life*. The basic premise of his devotional book is "God made you with a purpose. You exist to know God and love Him, and to be known by Him and loved by Him." In the last 20 years, the book has sold over 50 million copies. It seems pretty clear that people long for purpose and are searching for answers to the big questions! You do not need to question your existence EVER again. You are here to know, love, and glorify God! It is precisely why He formed you. But make no mistake: even though God created us for this relationship with Him, most humans are missing out on it. We are separated from God by our sin and pride. This is the very point of the Gospel. It is why Jesus came to humanity and went to the cross.

What should I do about what this Word is saying to me?

1. Would you consider placing your faith in God through trusting Jesus as your Lord and Savior? Confess the obvious: we all fall short of God's glory and embrace the amazing grace God offers you

through his Son Jesus. Jesus said, “I am the way the truth and the life, no man comes to the Father save through me.” John 14:6

2. Do not settle for an aimless existence for one single additional moment!

Prayer

Dear God, thank you for shaping me as you have, giving me hope and purpose, and focusing your love so beautifully on my life.

Wednesday: Growing into the Image of my Lord

What does the Word say?

Therefore, I urge you, brothers and sisters, in view of God’s mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship. Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God’s will is—his good, pleasing and perfect will. - Romans 12:1-2 (NIV)

So I say, walk by the Spirit, and you will not gratify the desires of the flesh. But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law. Those who belong to Christ Jesus have crucified the flesh with its passions and desires. Since we live by the Spirit, let us keep in step with the Spirit. Let us not become conceited, provoking and envying each other. - Galatians 5:16, 22-26 (NIV)

What does this Word tell us about God?

As mentioned earlier, for most of the week at camp, your children will be learning about the importance of developing key disciplines of the faith. They will learn disciplines like time in God’s Word, prayer, fellowship, worship, suffering, and missional service.

So, it brings God great glory when His creation begins to tune itself not to sinful cultural trends but instead to the sweet melody of His Son. Jesus lived a life of love, sacrifice, and humility. Paul said, “let this mind be in you that was in Christ Jesus...” (Philippians 2).

Once we have committed to echoing the life of Christ, God the Great Gardener will make sure that the fruit of the Spirit begins to appear in our life. The Spirit will produce love, joy, peace, patience, kindness, goodness, faith, meekness, and self-control.

What does this Word tell us about us?

So here is what is clear, after coming into a relationship with God through faith in Christ. We are supposed to begin a life-long journey of becoming more and more like Jesus; this process is sometimes referred to as “sanctification” in the Bible. This is the reason Jesus in the Great Commission said to “go and make disciples,” not just go and make converts. Romans 12:1-2 pinpoints the initial key to allowing this to happen: you must present your body (mind, will, flesh, every part of you) to God. You offer yourself as a sacrifice, but a living sacrifice, not a dead one. What are you sacrificing? Self. In Christ, you now have a different worldview. It is no longer about you; it is about HIM! The degree to which you surrender your mind, will, and emotions will determine the degree to which you can begin to resemble Jesus.

What should I do about what this Word is saying to me?

Have I truly surrendered myself over to God's renovation program for my life?

Prayer

Dear God, create in me a desire to truly be like Jesus. I long to demonstrate the love and grace of Jesus to the world around me.

Thursday: The Discipline of the Word, Meditation, Confession, and Repentance

What does the Word say?

But as for you, continue in what you have learned and have become convinced of, because you know those from whom you learned it, and how from infancy you have known the Holy Scriptures, which are able to make you wise for salvation through faith in Christ Jesus. All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good work. - 2 Timothy 3:14-17 (NIV)

What does this Word tell us about God?

God is a communicator! Imagine what it would be like to receive a personal hand-written note from the Creator God. You do not have to imagine; you have received an entire collection of notes and stories via God's Holy Word, the Bible. What makes the Bible unique is that its origins are not in man. Each word was inspired by the Holy Spirit, guiding the authors toward truth and away from error. It stands to reason that if God wants us to become more like Christ, the primary tool He plans to use is the Bible. The Bible is God's self-revelation of His Son to humanity throughout history.

The Bible is also unique in that it is a living Word, not a dead thing. It is not merely ink on paper; it is truth sustained by Holy Spirit. The author of Hebrews explains, "For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart" - Hebrews 4:12 (NIV).

What does this Word tell us about us?

God uses His Spirit's nexus to Holy Scripture to accomplish crucial things in your life. He instructs you toward life in His Son and righteousness. He convicts you of wrong attitudes and actions. He immerses you in a different way of thinking about your life and the world as you meditate on the Word. These are just a few of the ways the Word is essential to our growth into Christlikeness. Flowing out of our use of the Word are a couple of Christian life disciplines rarely spoken: confession and repentance. Confession means to "say the same thing" that God says about what is right and wrong and about what we have done. Repentance means to turn away from sinful behavior, attitudes, or beliefs and turn toward truth.

What should I do about what this Word is saying to me?

1. I can commit to consuming God's Word with regularity.
2. I can commit to leaning on God's truth and wisdom rather than my own wisdom or whatever the culture is pedaling at the moment.
3. I can honestly assess my need to confess and repent of wrong actions and attitudes, especially those things I have been resistant to surrendering.

Prayer

Dear God, I confess my sin to you in this moment [name the sin]. I agree with you that it is wrong and offensive in your sight. Help me turn from it in faith that your way is the way of life.

Friday: The Discipline of Prayer, Fasting, and Worship

Jesus demonstrated many of the disciplines we will teach your students this week in His own personal life. BUT only one of these Christian disciplines did Jesus explicitly TEACH: the discipline of prayer and the linked discipline of fasting in prayer. Let's take a look.

What does the Word say?

This, then, is how you should pray: "Our Father in heaven, hallowed be your name, your kingdom come, your will be done, on earth as it is in heaven. Give us today our daily bread. And forgive us our debts, as we also have forgiven our debtors. And lead us not into temptation, but deliver us from the evil one."

For if you forgive other people when they sin against you, your heavenly Father will also forgive you. But if you do not forgive others their sins, your Father will not forgive your sins. "When you fast, do not look somber as the hypocrites do, for they disfigure their faces to show others they are fasting. Truly I tell you, they have received their reward in full. But when you fast, put oil on your head and wash your face, so that it will not be obvious to others that you are fasting, but only to your Father, who is unseen; and your Father, who sees what is done in secret, will reward you. - Matthew 6:9-18 (NIV)

What does this Word tell us about God?

As we said yesterday, God is a great communicator. He not only has a lot to say "to you," but he also desires to hear "from you." This is not because He needs the information you tell him. In fact, he already knows all there is to know about you. God wants to hear from you because when you pray, it demonstrates your pursuit of God. It shows your humility before God, and it puts you in a posture to connect with and hear from God! Those are essential things if you really hope for a full effect life of faith. How can we expect to become more like Jesus if we are not regularly talking to and listening to God?

In this passage, Jesus teaches fasting as almost an appendage of prayer. What a thought! Fasting is the idea of setting aside a material gratification (often food) for a short time to focus on spiritual edification. Jesus not only taught the proper spirit we should display in fasting, but he also practiced fasting personally. In the Bible, we see fasting used in the following contexts both privately and corporately:

1. Enhancing a time of confession and repentance.
2. Assisting in a time of re-focusing on the Father by pushing away the world.
3. Collectively unifying the community in a spirit of expanding hunger for God in worship.

Closely connected to the concept of prayer, biblically, is the concept of worship. It is often difficult to tell where the prayer ends and worship begins in Biblical accounts, generally because the two elements are inseparable. Much like prayer, God demands our worship. The heavens declare His glory by their existence, but you get to declare His glory by choice!

What does this Word tell us about us?

Our ability to have a full effect faith depends on these crucial connections. In the Book of John, Jesus reflects on the Christian life as a comparison to vines and their branches. He says the key to thriving as a “branch” and being fruitful is the ability to “remain” attached to the vine. In this case, His reference is to the vitality of our connection to God. He also says that the inability to “remain” vitally connected to the Father makes us “good for little.” He observes that when a veteran gardener has branches like that, he prunes them and tosses the debris into the fire. How do you remain in the Father? The answer is the disciplines we have been exploring: time in the word, confession and repentance, time in prayer and meditation, and the worship that outflows from these habits. These are only a few of the critical disciplines of the faith your children explored at New Life Camp this week.

What should I do about what this Word is saying to me?

1. I can establish a structured prayer and meditation time into my daily habits.
2. I can develop a personal worship life separate from corporate worship, a habit that involves not only talking or singing to God, but also listening to God.

Prayer

Dear God, may I learn the habits of full effect faith. Break me of my pride and instill in me a desire for more of you!

- Memorize entire verse.

Monday

- Review the last 10 previous verses saying them out loud. Do not break up passages. If going back 10 verses, breaks up a passage, say the whole passage.
- Take note of each verse you are unsure of. Don't accept close enough.
- Rememorize those verses using Sunday's routine.
- Say this week's verse out loud.
- If you are not able to say it perfectly, repeat Sunday's routine.
- Write out the verse onto a card that you can keep handy and read when you have spare moments.

Tuesday
