Activity Descriptions and Instructor Contacts: Winter-Spring 2022

Animals in Creation (Ages 6-8)

Contact Instructor: [Ashley Schiess](#)

Come and learn about amazing animals that God has created! We will explore animals from a variety of habitats around the world. Each week, students will learn about animals through different crafts and activities.

Creative Art (Ages 9-13)

Contact Lead Instructor: [Tyler Mayhew](#)

In this club, your students will learn about cartooning, abstract art, and a combination of the two known as doodle art. They will also learn many of the important fundamentals when creating art. These fundamentals include sketching, inking, coloring, and more. Your students will also learn about the connection between art and Creation and how God is the Master Artist, who has painted our world in vivid color. The only requirements for this class will be that your child has a pencil, eraser, and colored pencils.

Fun Club – Spring (Ages 6-10)

Contact Lead Instructor: [Amy Martin](#)

Fun Club is a 3 week activity in the spring that provides opportunities to enhance physical development of throwing, catching, striking, eye-hand coordination, fine motor skills, body balance and strengthening combined with instructional opportunities which teach and reinforce social skills necessary for positive team involvement based on scriptural principles of honesty, grace, and forgiveness. Through crafts and devotions, children will enjoy Easter activities.

Morning Club (Tuesdays: Age 6)

Contact Lead Instructor: [Ashley Schiess](#)

Morning Club for Age 6 will feature a unique schedule of 4 different activities around camp. These activities will provide a lot of hands-on learning. The following are also included in the schedule: snack, lunch, recess, and Bible devotion.

Arts & Crafts Around the World

- We will have a brief lesson about a different country, pray together for the church in that country, and make a craft that reflects the art/culture from that country.

Backyard Science

- Who knew you can discover so much about science and the God who created it right in your own back yard? We will experience God's amazing creation among which we live by seeing it live, hands on time, and journaling our discoveries. Come join us for a fun science adventure!

Movement

- Let's play games that implement locomotor skills, rhythms and simple dance. Practicing fine motor skills, coordination, and balance will be included in fun station activities to help students become confident movers.

STEM

[Click Here to Return to Schedule](#)

Activity Descriptions and Instructor Contacts: Winter-Spring 2022

Students will rotate through playing outside, playing games, or doing science experiments with building materials.

Morning Club (Tuesdays: Ages 7-9)

Contact Lead Instructor: [Amy Martin](#)

Morning Club for Ages 7-9 will travel to three clubs, snack, and lunch with a camp counselor to engage in hands-on learning fun. The subject description and instructor's name for each activity are as follows:

Backyard Science (Instructor: Cindy Nichols)

- Who knew you can discover so much about science and the God who created it right in your own back yard? We will experience God's amazing creation among which we live by seeing it live, hands on time, and journaling our discoveries. Come join us for a fun science adventure!

Fun with Famous Artists (Instructor: Mayson Stowers)

- Students will learn about a famous artist each week, compare their work to the Ultimate Artist (God), then complete artwork based on each artist's techniques and subject matter.

PE: Throw, Catch, Kick! (Instructor: Amy Martin)

- Students will practice the skills of throwing, catching, and kicking using different types and shapes of balls in station work, partner activities, and fun games and sports. The class will also work on fitness through exercise, simple games and jump roping. Students will learn to apply biblical truths by practicing sportsmanship, cooperation, and respect for others.

Morning Club (Tuesdays: Ages 10-13)

Contact Lead Instructor: [Amy Martin](#)

Morning Club for Ages 10-13 will travel to three clubs, snack, and lunch with a camp counselor to engage in hands-on learning fun. The subject description and instructor's name for each activity are as follows:

Cracking the Code: Escape Room Fun (Instructor: Jessica Harris)

- God created an amazing world for us to explore - in this morning club class we'll do that through fun and hands-on escape room style puzzles. We will cover science, history, geography, art, and even some math as we solve clues together.

PE: Teamwork (Instructor: Amy Martin)

- Students will be given opportunities to work cooperatively in group play. Gym and field game activities will build skills such as listening, speaking, problem solving, cooperation, creativity, trust, courage, bonding, and icebreaking. And of course, the student's physical well-being will benefit from the exercise and games! Students will be given the opportunity to apply biblical truths by practicing sportsmanship, cooperation, and respect for others.

[Click Here to Return to Schedule](#)

Activity Descriptions and Instructor Contacts: Winter-Spring 2022

World Geography (Instructor: Emileah Hawkins)

- We will be studying world geography. Some examples of what will be taught include topography, navigation, reading and following a compass, reading and creating maps, and cultures from around the world.

Morning Club (Thursdays: Age 6)

Contact Lead Instructor: [Ashley Schiess](#)

Morning Club for Age 6 will feature a unique schedule of 4 different activities around camp. These activities will provide a lot of hands-on learning. The following are also included in the schedule: snack, lunch, recess, and Bible devotion.

Arts & Crafts Around the World

- We will have a brief lesson about a different country, pray together for the church in that country, and make a craft that reflects the art/culture from that country.

Astronomy

- Allow your student to journey into space as we explore God's marvelous universe. We will go out of this world and take a tour of the Solar System with the sun, moon, and planets as our destination. We will investigate the marvel of space travel and learn what it's like to be an astronaut. Your student will participate in hands-on activities and view demonstrations as they study the stars and constellations.

Movement

- Let's play games that implement locomotor skills, rhythms and simple dance. Practicing fine motor skills, coordination, and balance will be included in fun station activities to help students become confident movers.

STEM

- Students will rotate through playing outside, playing games, or doing science experiments with building materials.

Morning Club (Thursdays: Ages 7-9)

Contact Lead Instructor: [Amy Martin](#)

Morning Club for Ages 7-9 will travel to three clubs, snack, and lunch with a camp counselor to engage in hands-on learning fun. The subject description and instructor's name for each activity are as follows:

Astronomy (Instructor: Maureen Heim)

- Allow your student to journey into space as we explore God's marvelous universe. We will go out of this world and take a tour of the Solar System with the sun, moon, and planets as our destination. We will investigate the marvel of space travel and learn what it's like to be an astronaut. Your student will participate in hands-on activities and view demonstrations as they study the stars and constellations.

Activity Descriptions and Instructor Contacts: Winter-Spring 2022

Hands on History (Instructor: Carmen Roberts)

- Our study begins after WWII- and will continue to present day. Our text will be the 2nd 1/2 of Part 2 of the Notgrass History Curriculum, Our Star-Spangled Story. We will continue to dive into wonderful stories, and this time it will be more recent history. We'll learn about when television began, President Dwight D. Eisenhower, the Civil Rights movement, Rosa Parks, Martin Luther King Jr., the Space Race, The Cold War, NASA, President John F. Kennedy, the first walk on the moon (Armstrong/Aldrin), Vietnam, Presidents Nixon, Ford, Carter, and Reagan, America's 200th Birthday, Sandra Day O'Connor, The Berlin Wall, Computer evolution, Desert Storm, The World Trade Organization, Before and After the Internet, 9/11/2001, President Bush, First Responders, Smartphone then/now, Homeschooling, and finally how our kids are making history! We'll make a lap book, do some crafts and have a lot of fun! Hope you can join us!

PE: Throw, Catch, Kick! (Instructor: Amy Martin)

- Students will practice the skills of throwing, catching, and kicking using different types and shapes of balls in station work, partner activities, and fun games and sports. The class will also work on fitness through exercise, simple games and jump roping. Students will learn to apply biblical truths by practicing sportsmanship, cooperation, and respect for others.

Morning Club (Thursdays: Ages 10-13)

Contact Lead Instructor: [Amy Martin](#)

Morning Club for Ages 10-13 will travel to three clubs, snack, and lunch with a camp counselor to engage in hands-on learning fun. The subject description and instructor's name for each activity are as follows:

Art in Several Dimensions (Instructor: Anna Heimbach)

- This club explores the three-dimensional art of papier mache as well as some two-dimensional art forms. Students will create various whimsical creatures using papier mache, and if time allows, they will make an assemblage. This club requires students to get their hands messy, and they will need some type of old shirt or smock to wear to protect their clothes when doing their work.

PE: Teamwork (Instructor: Amy Martin)

- Students will be given opportunities to work cooperatively in group play. Gym and field game activities will build skills such as listening, speaking, problem solving, cooperation, creativity, trust, courage, bonding, and icebreaking. And of course, the student's physical well-being will benefit from the exercise and games! Students will be given the opportunity to apply biblical truths by practicing sportsmanship, cooperation, and respect for others.

Whatever the Weather and More Spanish Fun! (Instructor: Shannon Mills)

[Click Here to Return to Schedule](#)

Activity Descriptions and Instructor Contacts: Winter-Spring 2022

- Through experiments and observations, and using a student-built weather station, we will track the weather to find patterns and try out amateur weather forecasting!
- Using new songs and poetry, more games, and new picture stories, we will continue listening and repeating the beautiful Spanish language! This will make an excellent addition to the fall Spanish class but can stand alone for new students.

North Carolina Explorers: West (Ages 6-9)

Contact Instructor: [Jessica Harris](#) or [Ashley Schiess](#)

Jessica will be the instructor of one group, and Ashley will be the instructor of another.

From Murphy to Manteo, North Carolina is an amazing state! This semester we will explore the history, geography, & culture of the piedmont to the mountains through hands-on games, arts and crafts, and STEM (science, technology, engineering, and mathematics) activities. Students will learn about God's creation in the Tarheel state. This club is a continuation (not a repeat) of the fall semester North Explorers: East club so all lessons and activities will be new and different. The fall semester club is NOT a prerequisite.

Outdoors Club (Ages 9-13)

Contact Instructor: [Tyler Mayhew](#) (Tuesdays) & [Emileah Hawkins](#) (Thursdays)

Students will experience the outdoors through playing summer camp games such as low ropes, ultimate frisbee, and capture the flag. They will also learn outdoors skills such as basic orienteering, archery, and building shelters. Each activity is designed to teach the students the importance of working with others to achieve a goal. Most importantly, students will get to be outside and learn about God through His beautiful creation.

Play and Learn (Ages 4-5)

Contact Instructor: [Abby Johnson](#)

This fun and engaging program includes a variety of developmentally appropriate activities including nature, STEM, creative arts, music and movement, gym and outdoor play. Social skills such as listening, following directions, using encouraging words and actions, and being respectful to others will be integrated throughout lessons and activities that teach and reinforce biblical truths.

- You may register your child for individual days (Tuesday, Wednesday, or Thursday) or a combination of 2 or all 3 days. The activities will be different each day.
- A lunch time is included with the activity. Students must bring their own lunches.
- Here is a sample schedule:

9:00 – 9:20am	Drop off at Johnson Gym
	Music and Movement
	Creative Arts/STEM challenges in small groups and centers

[Click Here to Return to Schedule](#)

Activity Descriptions and Instructor Contacts: Winter-Spring 2022

10:45-11:30am	Lunch and outdoor/gym play
	Themed Scripture reading
	Nature Activities (Fall) or Science Activities (Winter)
	Clean-up and get ready to go home
1:15-1:30pm	Pick-up at Johnson Gym

Pre-Ballet & Movement (Ages 5-7)

Contact Instructor: [Eszti Williford](#)

This class offers ballet and lyrical dance to beginning and returning dancers. This class will teach coordination, flexibility, and proper technique while worshipping the Lord through dance. Each child should expect to be sweetly encouraged in this class. Ballet shoes are recommended for this class.
