Special Days

- Clubs Christmas Gathering (Dec. 3rd & 5th) – parents and family are invited to join us in Johnson Gym from 1:30-2:30pm on our final day of the semester to meet instructors, enjoy some Christmas activities, and celebrate the coming of Christ.
- Clubs Family Day (March 25th & 27th) – parents and family are invited from 1:30-2:30pm to walk with their children around camp, meet their instructors, and learn more of what their children have been doing at camp this year.

Activity Descriptions and Instructor Contacts: 2024-2025

Elementary Clubs Tuesdays (Ages 7-8)

Elementary Clubs on Tuesdays for Ages 7-8 will travel to three clubs, snack, and lunch with a camp counselor to engage in hands-on learning fun.

Please note: there will be two groups or huddles in this age range, divided as evenly as possible between 7 year-olds and 8 year-olds.

The subject description and instructor's contact for each activity are as follows:

Backyard Science (Instructor: [Cindy Nichols](#))

- Lace up your walking shoes for our study of local members of the animal kingdom. Camp trails and the lake offer fascinating opportunities to study animals that scamper, slither, soar, and swim. We will experience God's amazing creation among which we live by seeing it live, lots of hands-on time, and journaling our discoveries. Come join us for a fun science adventure!

Art (Instructor: [Sarah Tucker](#))

- We will be learning how to see like artists, to notice God's beauty, order, and design around us, and then to create like He is creative. Our emphasis will be on building skills specific to different media- drawing, watercolor, oil pastels and painting. Students will grow in artistic confidence and have fun!

Hands on History (Instructor: [Lauren Kellum](#))

- Students will create a timeline of American history using "Our Star-Spangled Story" curriculum (Book 2). We will learn through hands on activities, crafts, and music! Each week we will add to our timeline to see the progress of America's heritage in a fun, visual way!

Elementary Clubs Thursdays (Ages 7-8)

Elementary Clubs on Thursdays for Ages 7-8 will travel to three clubs, snack, and lunch with a camp counselor to engage in hands-on learning fun.

Please note: there will be two groups or huddles in this age range, divided as evenly as possible between 7 year-olds and 8 year-olds.

The subject description and instructor's name for each activity are as follows:

Hands on History (Instructor: [Lauren Kellum](#))

- Students will create a timeline of American history using "Our Star-Spangled Story" curriculum (Book 2). We will learn through hands on activities, crafts, and music! Each week we will add to our timeline to see the progress of America's heritage in a fun, visual way!

PE: Throw, Catch, Kick! (Instructor: [Amy Martin](#))

- By playing with different types of balls and equipment, the skills of throwing, catching, and kicking will be practiced in PE. The club will also work on fitness, balance, and space awareness through exercise, jump roping, and simple movement games with music. Students will learn to apply biblical truths by practicing sportsmanship, cooperation, and respect for others.

Activity Descriptions and Instructor Contacts: 2024-2025

Physical Science: Energy and Matter (Instructor: [Kristie Keeling](#))

- Did you know that everything in God's universe influences every other thing? We will study how matter and its motion interacts with energy and forces. We'll study what makes up matter, atoms and their parts, states of matter, as well as laws of motion and simple machines. We'll use lots of fun hands-on activities to study this fascinating subject! This club is fantastic for problem solving, teamwork, and fine motor skill building.

Intermediate Clubs Tuesdays (Ages 9-12)

Intermediate Clubs on Tuesdays for Ages 9-12 will travel to three clubs, snack, and lunch with a camp counselor to engage in hands-on learning fun.

Please note: there will be two groups or huddles in this age range, divided as evenly as possible between 9-10 year-olds and 11-12 year-olds.

The subject description and instructor's name for each activity are as follows:

Science: The Natural World (Instructor: [Abby Haselton](#))

- Let's be explorers of the natural world and discover the mysteries that's God has gifted to us and made us stewards of. Discover the scientific method, nature journaling, forestry, birds, other interesting wildlife and topics. Come join us as we explore the natural world through a Christian worldview.

Music & Poetry (Instructor: [Cami Slack](#))

- This club will dig a bit deeper into composers from the classical period to the modern period while also acknowledging and identifying the similarities and cohesiveness between poetry and music. They both relate and are integrated one to another. We will combine these two art forms just as God has combined the many gifts of the church, and we will use scripture to learn more about how God created these outlets to be forms of worship to Him.

Mixed Specials: PE & Art (Instructors: [Amy Martin](#), [Sarah Tucker](#))

- PE (Teamwork): Through physical education, recreational and outdoor activities, students will work cooperatively in groups to accomplish set goals that will build skills such as listening, problem solving and cooperation. Students will learn to apply biblical truths by practicing sportsmanship, cooperation, and respect for others.
- Art: We will be leaning how to see like artists, to notice God's beauty, order, and design around us, and then to create like He is creative. Our emphasis will be on building skills specific to different media- drawing, watercolor, oil pastels and painting. Students will grow in artistic confidence and have fun!

Intermediate Clubs Thursdays (Ages 9-12)

Intermediate Clubs on Thursdays for Ages 9-12 will travel to three clubs, snack, and lunch with a camp counselor to engage in hands-on learning fun.

Please note: there will be two groups or huddles in this age range, divided as evenly as possible between 9-10 year-olds and 11-12 year-olds.

Activity Descriptions and Instructor Contacts: 2024-2025

The subject description and instructor's name for each activity are as follows:

Art Explorations (Instructor: [Anna Heimbach](#))

- Let's go on an art adventure! In this class students will explore various artists while utilizing a variety of media including oil pastels, chalk, watercolor, printmaking, paper mache, and mixed media to create pieces emphasizing an array of drawing and painting techniques.

PE: Teamwork (Instructors: [Amy Martin](#), [Cami Slack](#))

- Through physical education, recreational and outdoor activities, students will work cooperatively in groups to accomplish set goals that will build skills such as listening, problem solving and cooperation. Students will learn to apply biblical truths by practicing sportsmanship, cooperation, and respect for others.

Science (Instructor: [Cami Slack](#))

- We will learn by using hands on methods and creative thinking about the scientific process through small experiments and journal keeping. We will also explore how science, like all things was created by God.

Play and Learn 1 (Ages 4-5)

Contact Instructor: [Jaime Bishop](#)

Play and Learn 1 is a beginners' club for ages 4 & 5. Each day consists of multiple activities, providing lots of hands-on playtime and learning. There will be a morning snack and lunch time provided each day.

These activities include:

MORNING CIRCLE TIME

We will begin the day with prayer, review class rules and expectations, and have a short Bible lesson. We will cover a new character development topic each week, with a corresponding Bible verse, song time, and morning snack.

GYM TIME & OUTSIDE PLAY

MORNING CENTERS

There will be a variety of themed centers that we will rotate in groups after morning circle time each club day. These centers will include: a learning center for geography and history, a sensory and fine motor center, arts and crafts center, and a build & create center.

ROTATING WEEKLY ACTIVITIES

Tuesdays: Music & movement plus composers & music history, games, and outside play.

Thursdays: Science topic & craft, plus outside exploration for trees and plants. Topics include sea creatures and marine life, trees and plants, the solar system, etc.

Each day will end with music and book time.

Activity Descriptions and Instructor Contacts: 2024-2025

Play and Learn 2 Tuesdays (Age 6)

Contact Lead Instructors: [Hannah Martin & Lauren Hild](#)

Play and Learn 2 on Tuesdays for Age 6 will feature a unique schedule of different activities around camp. These activities will provide a lot of hands-on learning. The following are also included in the schedule: snack, lunch, and recess.

Morning Circle (Instructor: Lead Instructors)

- Circle time will focus on learning classroom expectations and reviewing daily schedules and classroom jobs. Every week, we will focus on a different Bible story and a memory verse. Students will also work through a curriculum that teaches how to identify their emotions, how to categorize them, and how to use sensory strategies to help manage them.

Backyard Science (Instructor: [Cindy Nichols](#))

- Lace up your walking shoes for our study of local members of the animal kingdom. Camp trails and the lake offer fascinating opportunities to study animals that scamper, slither, soar, and swim. We will experience God's amazing creation among which we live by seeing it live, lots of hands-on time, and journaling our discoveries. Come join us for a fun science adventure!

Outdoors (Instructor: Lead Instructors)

- Students will move through a variety of nature themed units (ex. weather, birds, flowers, bugs, etc.) throughout the course of the school year. Each week will include a short lesson that is related to the theme as well as a mix of structured and unstructured outdoor activities and play.

STEM (Instructor: Lead Instructors)

- Students will use a variety of materials to problem-solve through different challenges. They may be working individually or together as a team.

Play and Learn 2 Thursdays (Age 6)

Contact Lead Instructor: [Hannah Martin & Lauren Hild](#)

Play and Learn 2 on Thursdays for Age 6 will feature a unique schedule of different activities around camp. These activities will provide a lot of hands-on learning. The following are also included in the schedule: snack, lunch, and recess.
