

LEARN Academics Orientation Schedule (via Zoom)

Wednesday, August 25th

Details:

1. Our student/parent orientation will take place virtually via the Zoom app. We encourage you to download this app in advance.
2. At least one parent needs to attend the Zoom session for your class, and it would be beneficial for students to attend as well.
3. Each instructor will email their class with the details for their Zoom orientation: Meeting ID, password, etc. You should receive the details for this no later than Friday, August 20th.
4. Each session is repeated in the schedule below in case you need to attend multiples at the same time. If you still are unable to attend all the sessions you need, please contact your instructors to schedule an additional time for that Wednesday morning.
